Good morning Metrolina Early Education Families,

Metrolina Christian Early Education Center will be on a normal operating schedule tomorrow March 16<sup>th</sup>. We understand your need as parents to be able to work to provide for your family.

The Governor's directive does not require private preschools and childcare centers to close. In fact, it listed suggestions for childcare centers to follow while they remain open such as limiting big group interaction, which we will put in place. Some of these changes will be a suspension of big group chapel and we will limit the size of groups on the playground and keep all of interactions as small as possible.

We will also continue to clean diligently and emphasize hand washing during this time. We also will require you to not bring your children to school if they are sick. We must maintain a total wellness approach to children attending. The safety of the children, staff, and parents is always our first priority, and we will continue to monitor this situation as it unfolds. Tomorrow will be **"business as usual"** at Metrolina Christian Early Education Center.

***We will remain open as long as there is no closing order in accordance with operating regulations mandated by the NC Division of Child Development. We will keep you updated if anything changes in this crazy environment.***

Blessings,

Rick Calloway
