

A MESSAGE FROM OUR SENIOR PASTOR

For years, we have supplemented the families who are involved in Bible Translation through JAARS. These families live by faith and have dedicated themselves to ensuring that everyone has a Bible written in their native tongue. But now, I would like to help families within the sphere of our local influence see to it that their children have this same opportunity. Many of us who have raised our own children, now have the means to help someone else along the way. Please consider giving to the **Sponsor-A-Child** assistance fund for Metrolina Christian Academy. It is an investment into the future of a young life that will have eternal consequences. Well over 100 kids receive Christ every year while receiving this Biblically based education that will launch them into their future. Your investment will help shape the future not only of this child, but also of our culture. These kids are graduating and making a huge impact in our society and all over the world.
