Good morning parents and families!

We are praying for you and your families during these days. I want you to know that our faculty and staff are working hard to deliver top quality distance learning. We will continue distance learning through April 30th, and we will evaluate what we will do next after that. We will be monitoring closely the plans by our government to reopen business and hopefully be able to make better informed decisions then.

We are prepared and committed to advancing our curriculum regardless of what method is available. I have listed below some information to keep you up to date.

1. Please keep an eye on our calendar on the website as we will observe workdays and holidays as normal.
2. We have instructed teachers to provide for some catch up days, so we do not assign too much work in a short time frame.
3. We will continue to post upper and lower school chapels each week and hope they are a blessing.
4. We will continue to send devotions each day and pray that they continue to be a blessing to you.
5. We are continuing to utilize Google classroom and our Renweb LMS effectively to accomplish distance learning. We will continue to enhance those programs.
6. We have created a new address Mcaprayerrequests@fbcit.org if you would like to submit any prayer request you may have during this time. We are committed to praying for your needs.
7. We are busy planning for school year 2020-2021. We are committed as we are each year to improving our program each year and our plans reflect that approach.
8. We have been busy planning for an incredible summer camp program this summer. If you have not signed up and need care, we will send out more information about this later in the week.
9. We are also preparing contingencies to provide end of the year events for the Class of 2020. Please keep this class in your prayers.
10. Our teachers are available to help you in anyway, so please reach out to them if you need anything.

Our prayer and heart are for us to be together as a school soon. We will continue to keep you updated each week. We love you and are praying for you!
