

**Subject:** 2021-2022 Update

**Date:** Tuesday, February 2, 2021 at 2:07:47 PM Eastern Standard Time

**From:** email@renweb.com on behalf of Richard Calloway

**To:**

Good afternoon Metrolina families,

I want to provide you with a second update regarding our program improvements for school year 2021-2022. We looked last week at Performing Arts and our Academic Services Program. This week, I want to highlight many more program enhancements. Some of our improvements for 2021-2022 are:

1. MCA will launch on campus the National Art Honor Society and the National Art Junior Honor Society for middle and high school students. This Honor Society will bring regional and national recognition for our students in art and further grow their college portfolios.
2. Our high school will launch additional clubs for 2021-2022. Club names will be released in the coming days.
3. We will begin the development and launch of a more expanded tutoring program for students needing extra help.
4. MCA will continue to grow its Communication Arts Program with expansions in speech, debate, video and broadcasting, newspaper, and yearbook.
5. MCA will continue to advance our STEAM program through the development and sustainability of an Ecology Learning Compost and Garden.
6. MCA will continue to develop and expand our distinguished Graduates program. Details will follow soon.
7. MCA will continue to expand its student leadership training program for students in grades 4<sup>th</sup>-12<sup>th</sup>.
8. MCA will continue to enhance its security protocols with the final upgrading of all camera systems.
9. MCA will upgrade all our current radio systems for on campus security.
10. MCA will upgrade technology in classrooms by strengthening all Wi-Fi devices and adding new television monitors in classrooms.
11. MCA will be upgrading our lower school playgrounds with new equipment and ground coverage.
12. MCA will work towards breaking ground on a new 10 classroom building that will work to eliminate the majority of remaining modular classrooms.
13. MCA will work towards breaking ground on a track and field facility.
14. MCA will renew and expand a more diverse food service program following COVID 19 interruptions.
15. We are expanding curriculum enhancement and development in our Early education Program.
16. We will be enhancing all parent communications and resources. We will be producing parent resource podcasts, video devotionals, and so much more to provide our families with great tools.

These are some God sized tasks for us as we plan and move forward to school year 2021-2022. Look for more details in a few weeks as we will publish our full strategic plan to our families for 2021-2024. We are committed to continually improving our program. We believe that our students and families are more than worth the effort.

Because of Him,

Rick Calloway
